(B.Eng), Production Engineering
University of Benin
2011 - 2016

SKILLS

Languages

HTML
CSS
JavaScript

Technologies

Git
Slack
Github
Netlify
Wix

CAREER OBJECTIVE

I am Emmanuel Ojighoro, a Frontend Developer with proven experience at 100devs, where I helped create responsive websites and work collaboratively on projects. I am capable of continuous learning from Senior developers and also willing to help Junior developers hone their skill set and climb up the ladder. I primarily use JavaScript, but picking up a new framework is not a problem.

WORK EXPERIENCE

Frontend Developer

100Devs

Jan 2022 - current / Los Angeles, California

- United States (Remote)
- Built responsive websites with clean codes and right semantics
